KHIVRAJ HANDICRAFTS

About us

For more than 15 years, **Khivraj Handicrafts** has been dedicated to producing high quality products for the home. Established in 1997, Prakash Sankhala is named after its founder and run business.

A luxury manufacturing company since the 1997s. With the advent of the internet, the brand has been able to sell furniture, high-quality bed furniture to its customers. And with fewer overheads, we have been able to pass on the savings we make to our clients.

We would like to introduce ourselves as "**Khivraj handicrafts**" a reputed organization engaged in the manufacturing and export of wooden furniture and contemporary furniture in a variety of materials.

Our products are a sincere effort to infuse excellent craftsmanship with the creative ingenuity for redefining interiors.

We explore and research market before forming our designing concepts and after analysing it properly endeavour hard to provide our clients products that are sophisticated, durable and in sync with the market needs.

Our main focus is consistent with customer satisfaction.

We have high quality, on time delivery and competitive price track records with our clients in getting order till the order are fulfilled and mainly focus on delivering the order as per the buyer requirements.

We also accept special design orders from our clients to meet any kind of specific needs.

KHIVRAJ HANDICRAFTS is proud to conserve india's rich weaving vintage while keeping pace with modern business; offering flexible reliable service to clients from all across the word.

We are like a family who runs business and have been in the making of leather furniture for over 15 years . Having made our name in the domestic market we have now ventured into exports since last 5 years and are continuing to cater to the US,UK and European markets.

KHIVRAJ HANDICRAFTS is now being managed by the leather professionals who have a clear understanding of the world leather market: so customise designs and to developing latest design in seating items
